To,

The Secretary to the Dewan

Sir,

I have the honor to inform you that the Accountant General Madras having instructed the Officer in charge of the Resident's Treasury to levy a premium of 8 Annas per cent on Public Service Transfer Receipts on account of remittances of land Revenue from persons residing in Mysore to the Districts in Madras, I suggested to him the propriety of Mysore sharing in the premium in as much as our treasuries have in the first instance to issue Transfer receipts to Bangalore on account of these remittances. While concurring in the validity of the claim the Accountant General is of opinion that the question should be decided by the Mysore Government and the Resident, and he suggests that 4 Annas per cent may be credited to Mysore and 4 Annas to Madras ~~Districts~~.

Sir,

From a correspondence between the Officer in charge of the / Residents Treasury and the Deputy Commissioner of Kadur, which passed through my Office, I find that you have ordered a premium of 8 Annas per Rs. to be levied on Public Service Transfer Receipt on account of remittances of land revenue from persons residing in Mysore to treasuries of Madras. As both the Mysore and Imperial Treasuries have to issue Transfer Receipts to complete the remittance and the former from talukas and outlying districts to / Bangalore I think the premium levied from the remitter should be divided equally between the two Treasuries and request to be informed whether you concur in this view.

To,

Sir,

With reference to your letter No. 2125 dated the 15th October 1885, suggesting that premium levied on Remittance, Transfer Receipts on account of Land Revenue paid by persons residing in Mysore and remitted through the Resident's Treasury, Bangalore, to the Treasuries of this Presidency should be shared equally by the Mysore and Bangalore (Imperial) Treasury, I have the honor to state that I see no objection to the proposal being carried out. I would however suggest that you should move the Mysore Government to endeavour to settle the matter with the Resident. The premium received, as you are aware is a very insignificant sum -

Sir,

With reference to your letter No 2269 dated the 12th November 1885 I have the honor to state that the question of dividing equally between the Madras and Mysore Govts

Governments the premium levied on Transfer Receipts issued in payment of Revenue by persons in Mysore, appears to be one to be decided by the two Governments and that you should address the Mysore Government. If that Government agrees to charge no more than 4 annas per 100 or part of 100 Rupees for remittances made from its Treasuries to Bangalore on account of Madras Districts, I do not suppose that the Resident of Mysore would object to making the remittance from Bangalore to the Madras Districts at a similar rate.

RESOLUTION.—In the circular letter quoted at the head of the preamble Local Governments, Heads of Departments, and Account officers were consulted as to the expediency of making certain alterations in the system of granting remittance transfer receipts, which, for the purposes of the proposals made in that letter by the Government of India, were, in the lists appended to it, divided into three classes A, B, and C. These classes were as follows:—

Class A.—Those in which it was proposed that the system should be maintained.

Class B.—Those in which remittance transfer receipts should be granted only for amounts in excess of R150.

Class C.—Those in which the privilege should be entirely withdrawn.

2. It was observed that while, as a general rule, the retention of the system is desirable in the case of *bonâ-fide* remittances on public account, on the other hand privileged remittances for private purposes might, in many cases, be entirely withdrawn, and should not be maintained at all for small remittances, for which the money order system is more convenient both to Government and to the payee, who can, under this system, have the money brought to his door instead of having to attend a distant treasury.

3. There is a consensus of opinion among the Governments and officers consulted that these proposals can generally be adopted without inconvenience; but various suggestions have been made for the inclusion of additional cases under classes A and B, and for the withdrawal of the privilege of remittance by transfer receipt in cases other than those originally entered under class C.

4. The Accountant-General, Bombay, also suggested that a fourth class might be added, in which the minimum limit of the remittance should be R600. As, however, the restriction by which not more than R600 could be remitted by money order in one day, has been withdrawn under the orders in this Department conveyed to the Director General of the Post Office of India in letter No. 1385, dated the 18th March 1889, the reasons for this suggestion no longer exist and its adoption is unnecessary.

5. After careful consideration of the replies received to the circular, and of the suggestions referred to in the preceding paragraphs, the Governor General in Council is now pleased, in supersession of all previous orders upon the subject, to direct that in future remittance transfer receipts shall be granted only

in the cases and with the limitations stated in the schedules A and B annexed. Schedule C gives the cases in which the privilege, heretofore enjoyed, has been withdrawn.

6. The lists are not yet final, and in a few cases retained in tables A and B it is possible that the privilege may be eventually withdrawn. The question has, however, been under consideration for a long time, and it is inexpedient to delay the issue of orders until a decision is arrived at in the few remaining doubtful cases.

ORDERED, that a copy of the Resolution be forwarded to the several Departments of the Government of India, all Local Governments and Administrations, Heads of Departments, the Comptroller and Auditor General, the several Accountants General and Comptrollers for information and guidance.

E. LAWRENCE,
Under-Secy. to the Govt. of India.

To,

The Chief Secretary

to the Government of

Mysore

Sir,

With reference to your Memo No. 3318/268 dated 15th July 1890, forwarding Copy of Resolution No. 1126 dated 5th March 1890 of the Government of India in the Department of Finance and Commerce prescribing the cases in which Remittance Transfer Receipts may be granted and in which they may not Item No. 30 of Schedule C, withdraws the privilege of Remittance Transfer Receipts for the purposes of the Mysore State

Objection was taken in 1881 by the Accountant General Madras to granting Transfer Receipts for purposes of the Mysore Government after condition but it was decided by the Comptroller-General "that Public officers and Public purposes in the rules regarding issue of Transfer Receipts include the officers and purposes of the Mysore Government". Vide Copies of Correspondence enclosed.

9

I need hardly say that the removal of the privilege of remittance by Transfer Receipts for payments outside of the Mysore State will cause great inconvenience, as payments have frequently to be made to the Banks of Bengal and Bombay and their Branches on account of Mysore debenture half yearly Interest payments, for purchase of opium &c. I would suggest that the inconvenience may be represented to the Government of India through the Resident and a reconsideration of this order requested. And considering that the Treasuries of the Mysore State carry on business precisely in the same manner and are guided by the same rules as Treasuries in British Territory and considering that the former largely carry on Imperial Government transactions notably those of the Post Office and Money Order Department, I feel hopeful that the representation will receive favorable consideration.

Sir,

I observe from your Lists of Remittance Transfer Receipts (Local and Foreign) issued during April 1881 that in several cases Transfer Receipts were issued to officers of the Mysore State. As I am not aware of any rule under which Remittance Transfer Receipts can be issued to such officers, I shall feel obliged if you will inform under what orders you consider you are authorised to grant them.

Herein, I have the honor to state that Public Service Transfer Receipts continue to be granted by Her Majesty's Treasury to Public officers of the Mysore State in accordance with the practice which prevailed before the rendition. In like manner Public Service Transfer Receipts drawn by Imperial Treasuries on Her Majesty's Treasury at Bangalore are cashed under my orders at any Local Treasury where payment is made and Public Service Transfer Receipts are moreover freely issued by one Mysore Treasury on another to officers of the Imperial Government Military, Postal, Telegraph &c on the ground of reciprocity therefore and mutual convenience. I trust you will award your formal sanction to the Continuance of the present practice of Her Majesty's Treasury.

SIR,

I am directed to reply to your office letter No. $\frac{7394}{340}$ dated the 16th September 1890 in which you ask the Resident to obtain from the Government of India a reconsideration of their Resolution No. 1126, dated the 8th march 1890, regarding public Service remittance transfer receipts.

2. The Resident observes that the Government of India issued this Resolution "after careful consideration", and that the authority quoted

quoted by you to the effect that "public officers and"
"public purposes in the rules regarding the issue of"
"transfer receipts include the officers and purposes"
"of the Mysore State" is dated the 14th of June 1881, where-
as the present orders of the Government of India are
dated in the present year.

Comptroller General, and it is more than probable
that it was considered before the above Resolution was
passed.

3. In these circumstances the Resident is unable
to recommend your application for an alteration of the
Resolution in favor of the Durbar.
